Summary

I'm seeking a position with a company that will allow me to apply and enhance my skills of being as an Electronic Engineer. I'm experienced in electronic engineering field originally from Myanmar, currently residing in Bangkok. With a background in electronic engineering and previous work experienced at Frontiir about 4 years and 8 months, I bring expertise in Electronic device troubleshooting and Excel Data Management.

Experience

FRONTIIR (Myanmar Net)

Yangon, Myanmar

Sep 2019 – Apr 2024 (4 yrs 8 mos)

Senior Associate RMA Engineer

Frontiir (Myanmar Net)

Yangon, Myanmar

Apr 2023 – Apr 2024(1year)

- Improved and update Excel sheets to minimize human errors and maintain data consistency.
- Generated reports detailing device errors, issues, solutions, and team updates for upper management.
- Developed Python automation scripts to stream line repair and testing processes, increasing efficiency and reducing errors.
- Collaborated with related teams to share knowledge and resolve device issues efficiently.
- Handled urgent repair and testing requests for devices to support collaborating teams promptly.
- Mentored junior engineers to ensure team standards were met.

Associate RMA Engineer

Frontiir

Yangon, Myanmar
